1.....

1.....

2.....

2.....

2.....

3.....

3.....

3.....

We suggest asking your IB teacher in your chosen subject for advice if you are unsure about the number of lessons you wish to take with us per subject or topic.

We recommend not covering more than 2 – 3 subjects a week.

Please make sure your total number of lessons matches the amount of private lessons you have registered for.

If you need further help, please contact us.
